Where contemporary design meets European style, Chico is born, a versatile series mixing soft angles and bold lines. Chico makes a statement and it does it comfortably. Enjoy settling back into a thick layer of injection molded foam over sturdy metal framework. Kick your feet up on a companion ottoman, also available with a polished 4 leg swivel base or brushed disk base each with auto return. Or rest on one of Chico's 40" or 60" benches with 1000lb and 2000lb weight capacities respectively.
